Building Board

Village of Elm Grove

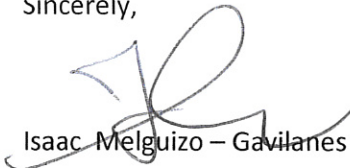

To Whom It May Concern:

We reside at 1670 Berkshire Drive, the residence immediately north of 1660 Berkshire Drive.

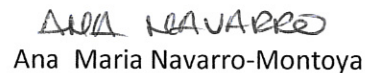

Robert Borch, the owner of the residence at 1660 Berkshire Drive has shared with us the plan to place an 8' x 8' shed on his lot with the northern most corner of the shed being placed 5 feet from the lot line adjacent to our residence with the shed being placed at an angle such that the other corner of the back of the shed is 9'-6" from the lot line.

We have sufficient plantings on the lot line to hide the structure from our view and therefore will accept the building of this shed as described in the location planned for it.

Sincerely,

Isaac Melguizo - Gavilanes

Ana Maria Navarro-Montoya

Building Board

Village of Elm Grove

To Whom It May Concern:

We reside at 15030 Cascade Drive, the residence immediately east of 1660 Berkshire Drive.

Robert Borch, the owner of the residence at 1660 Berkshire Drive has shared with us the plan to place an 8' x 8' shed on his lot with the northern most corner of the shed being placed 5 feet from the lot line adjacent to the residence at 1670 Berkshire Drive. The shed will be place on an angle such that the other corner of the back of the shed is 9'-6" from the lot line.

The site of the shed is approximately 60 feet from our lot line. We have sufficient plantings on the lot line to hide the structure from our view and therefore we will accept the building of this shed as described in the location planned for it.

Sincerely,

Peter Hoover
