

VILLAGE OF ELM GROVE RECREATION DEPARTMENT

Director's Note:

I would like to welcome you to the 2010 Winter/Spring Activities Guide. Look to the Elm Grove Recreation Department for opportunities to stay active and busy this winter.

If you need a gift idea this holiday season think about donating an aluminum picnic table for the park as part of a new donation program. Donors will be recognized on a plaque at the Village Hall and there is an option to engrave the table. See page 6 for more information.

Another exciting change is that online registration will be offered as an option to sign-up beginning with the summer registration! Be sure to include your e-mail address on your registration form to receive all of the details about the online registration and other Recreation Department offerings.

Should you have any questions/comments on the programs or any ideas for new recreational activities, please contact me at (262) 782-6700.
