ANNUAL REPORT

ELM GROVE POLICE DEPARTMENT

James P. Gage
Chief of Police

March 26, 2018

03/26/2018

Citizens of Elm Grove
President Neil Palmer
Members of the Village Board
Elm Grove Police Commissioners
Mr. David De Angelis, Village Manager

Dear Ladies and Gentlemen:

It is with great pleasure that I present the 2017 Elm Grove Police Department Annual Report. I am very proud of the efforts of all the employees of the Elm Grove Police Department, our Police Explorer Post and our Citizen's Police Academy Alumni. I would personally like to thank all of our employees and our volunteer staff for their dedication and strong sense of duty and commitment to the community. Without this sense of pride and commitment, we could not provide the high level of service that our citizens enjoy.

This year we saw a number of changes in personnel. We added three new officers, in place of Officer Doney's retirement, Officer Nobile's promotion to detective and Officer Pipp's resignation and move to the City of Brookfield. We are happy to have Officers Sean Lenardic, Robert Gilbreath and Andrew Hockett join our agency.

In 2017, overall police service and criminal activities investigated showed an increase of 1.3%. However, Part I offenses showed a decrease of 32.22%, mostly due to decreases in the theft and burglary categories. As in years past, we continue to see a significant number of labor intensive fraud cases (identity theft, contractor fraud, etc.) that do not count as UCR Part I offenses. In addition to our fraud cases, with increasing technology and the increased number of video cameras in the public, many cases that in the past would not yield much information to investigate, now have many "leads" captured on video that merit follow-up. The result is increased case clearances, but also increased patrol man-hours on follow-up investigations that take away from traffic enforcement and high-visibility patrol. As a result of this increased investigative load, we added a second detective position, promoting Officer Preston Nobile to detective.

As we approach spring and summer, please remember to watch out for your neighbors and fellow business owners. If you happen to have conversations with some of our bank managers, shop keepers and various home owners who have been recent victims of theft, burglary, or robbery, they will tell you to stay vigilant and call us when "something just doesn't look right." We rely on neighbors watching out for one another. A good witness and a willingness to get involved is the backbone of many of our arrests and convictions. With the weather improving, and people leaving their front doors unlocked or open, offenders will seek out homes where people are working outside or sleeping at night. They will make quick entries to grab laptops, cash, credit cards and other items that can be used in identity theft crimes. If you leave your car keys accessible, they will take your car, too. Most people don't have their eyes opened until they become a victim. This sudden brush with reality compounds the shock leaving some feeling violated and unsafe in their own home. Be aware of what is going on in your neighborhood or around your business. Be trustworthy, but not trusting. Be vigilant, but not paranoid. And, as always, give us a call when things don't look right.

I wish to thank the citizens of Elm Grove for the opportunity to serve them in 2017 and the Elm Grove Village Board for their continued support. The members of the Elm Grove Police Department would not be able to accomplish their goals without support from the Village Board, the citizens and community leaders. Finally, I wish to express my appreciation to Information Systems Manager Lorrie Hansen, Administrative Secretary Mary Doyne and Dispatcher Carolyn Gasse for their diligence and hard work in helping prepare this annual report.

Sincerely,
James P Gage

POLICING AUTHORITY

Our policing authority and the standards by which our authority is exercised are regulated by provisions in the United States Constitution, the Constitution of the State of Wisconsin, relevant sections of the Wisconsin statutes, and Codified Village Ordinances.

How our police authority is exercised within the Department is governed by organizational written and verbal directives (e.g., rules, regulations, policies, procedures, general orders) and established customs and practices.

No member of this Department shall, while enforcing a law or while taking any action for or against another person, act contrary to the law and these granting authorities.

PROFESSIONAL CODE OF ETHICS

All sworn members are required to comply with the following Code of Ethics:

As a law enforcement officer, my fundamental obligation is to be a responsible public servant. My major duties are to safeguard lives and property, protect the innocent against violence and deception, and the weak against oppression and intimidation.

While I consider the way I choose to conduct my private affairs a personal freedom, I accept the responsibilities for my actions, as well as inactions, while on duty or off duty, when those actions bring disrepute on the public image of my employer, my fellow workers, and the law enforcement profession.

I vow to perform all my duties in a lawful, professional and competent manner. I consider the abilities to be courageous in the face of danger and to exercise restraint in the use of my powers and authorities to be the ultimate public trust. I accept that I must consistently strive to achieve excellence in learning the necessary knowledge and skills associated with my duties. I will keep myself physically fit and mentally alert so that I am capable of performing my duties according to the standards of quality expected of my position.

I vow to be fully truthful and honest in my dealings with others. I deplore lies and half-truths that mislead or do not fully inform those who must depend upon my honesty. I will obey the very laws that members of my Department are sworn to uphold. I will seek affirmative ways to comply with the standards of my Department and the lawful directions of my supervisors.

I vow to treat others with courtesy at all times. I consider it to be a professional weakness to allow another's behavior to dictate my response. I will not allow others' actions or failings to be my excuse for not performing my duties in a responsible, professional, and expected manner.

I vow to empathize with the problems of people with whom I come into daily contact. However, I cannot allow my personal feelings, prejudices, animosities, or friendships influence the discretionary authorities entrusted to my job. I will affirmatively seek ways to avoid conflicts and potential conflicts of interest that could compromise my official authority or public image.

I hold the authority inherent in my position to be an affirmation of the public's trust in me as a public servant. I do not take this trust lightly. As long as I remain in this position, I will dedicate myself to maintaining this trust and upholding all the ideals of my profession.

COMMENTARY

In the performance of duty to serve society, officers are often called upon to make difficult decisions.

They must exercise discretion in situations where their rights and liabilities and those of the Department hinge upon their judgment and conduct. An officer's decisions are not easily made and occasionally they involve a choice which may cause hardship or discomfort. An officer must be faithful to the oath of office, the principles of professional police service as expressed in this Code of Ethics, the objectives of the Department, and in the discharge of their duties.

They must not allow personal motives to govern their decisions and conduct.

CORE VALUES

Our values are expressed in our directives and daily practices. Every member is required to serve with dedication, integrity, courage, respect and empathy for others. Specifically, all members will:

Not violate the law while enforcing the law.

While on duty, observe all constitutional and statutory laws, as well as all lawfully established directives (i.e., rules, policies, procedures and established practices), whether such directives are written or established verbally or through customs of the Department.

While off-duty, conduct themselves in a manner that does not result in a direct and negative effect on the professional image or reputation of this Department.

Act with respect and courtesy at all times and under all circumstances. Personnel will never have a justifiable excuse for discourteous or disrespectful conduct or behavior towards another human being.

Work productively and perform all job tasks, duties and responsibilities in a thorough, complete and competent manner.

Not illegally discriminate in the performance of any assigned or assumed job task, duty, or responsibility.

Not let personal associations, relationships or situations create a conflict of interest or the potential of a conflict of interest with the values or goals of this Department, or with assigned or assumed job tasks, duties and responsibilities.

Conduct themselves, behave and perform in a manner that does not cause serious damage or create the potential of seriously damaging the trust, faith, and confidence of those to whom they are legally or fiducially accountable.

ORGANIZATIONAL VALUES

VISION

Police operations will exemplify social concern for the protection of individual freedoms, the general welfare and the development of humanitarianism in the community.

Police operations will be based upon the equality of all members of the community in the eyes of the law.

Police operations will be characterized by the meticulous adherence to constitutional, ethical and performance standards.

Police operations must always be based upon the explicit and broadly held notions of police services by the community.

Police operations will always reflect receptivity to development and change in order to better respond to the appropriate requests and needs of the community.

MISSION

The mission for every member of this Department is to affirmatively promote, within available resources and engaging in lawful police functions, a feeling of security and safety for every member of our community.

This mission requires positive effort based on self-initiative.

The goal is for every member in every contact to seek ways to achieve this mission.

This mission is a commitment to quality performance from all members. It is critical that members understand, accept and be aligned with the responsibilities established by this mission. It provides the foundation upon which all decisions and organizational directives will be based. Directives include rules, regulations, operating policies, procedures, customs and practices.

This mission represents the commitment of this administration to the concepts of quality performance management. In other words, members are expected to work consistently in a quality manner in the daily performance of those duties, job responsibilities and work tasks associated with this mission. Quality manner means that performance outcomes comply with our standards.

Examples of performance standards include the oath of office, code of ethics, rules, policies, procedures, directives, general and supervisory written and verbal orders, and work productivity.

Members are required to accept the responsibility for the achievement of this mission and publicly register their commitment to it and to the concepts of quality service.

OBJECTIVES

The objectives of the Department are:

To protect constitutional guarantees for all persons;

To create and maintain a feeling of security in the community; to reduce the opportunities for the commission of crime;

To aid individuals who are in danger of physical harm and assist those individuals who cannot care for themselves;

To resolve conflict;

To identify criminal offenders and criminal activity and, where appropriate, apprehend offenders and participate in subsequent court proceedings;

To identify problems that are potentially serious law enforcement or governmental problems; to facilitate the movement of people and vehicles; and

To provide other police services to the community.

In order to achieve the above objectives, the Department stands committed to:

Provide a continual training program to insure professional competence and development of personal and organizational discipline in order to carry out Departmental goals and objectives;

Recognize the importance of planning functions to develop programs which will address major goals and objectives of the Department;

Cooperate with related public and private agencies in pursuit of their major goals; and

Emphasize a continual willingness to study and initiate new and better police services for the community.

Officer Doney rides off to Retirement!!

Congratulations to Officer Phil Doney on 25 years of distinguished service as a Police Officer with the Elm Grove Police Department.

Phil started with the department January 4, 1993, after working at the State Fair Police Department, the Waukesha County Jail, and serving 4 years in the Air Force as a Military Police K9 Officer. He specialized in explosive detection and was special detail with the Secret Service for Presidential Support. Phil was also deployed for Operation Just Cause during the Invasion of Panama in 1989 and 1990.

Thank you Phil for the impact and sacrifices that you made in the Elm Grove Community, the police department, and the lives of your coworkers.

We all wish you the very best in whatever adventures await you!!

Awards and Commendations

The following are letters of awards and commendations, issued by the Chief of Police, for a given year. Letters of Appreciation, from the Chief of Police, are also noted in this section, if issued.

Lieutenant Jason Kubiak
Sergeant Joseph Ipavec

LETTER OF APPRECIATION

I greatly appreciate the hard work and planning that went into creating a successful Rescue Task Force training event, at the Tonawanda Elementary School, on June 20, 2017. Both of you did an outstanding job of coordinating officer training in preparation for the multi-disciplined event, along with arranging for facilities and volunteers that made for a realistic training environment.

This training provided an opportunity for our fire and EMS partners to work with us in a real world environment to gain exposure to how our agencies will integrate in an actual event. As a direct result of this training, we identified critical communication issues that were immediately addressed and corrected.

Although the preparation for training events like this are time consuming and manpower intensive, the benefits gained by working together with our public safety partners in advance of an actual incident are immeasurable.

Thank you both for all of the extra time and effort you put into this training. I look forward to future training opportunities with our fire and EMS partners to maintain our ability to respond and save lives.

With sincerest appreciation,

Officer Sandra Brown
Elm Grove Police Department
Elm Grove, Wisconsin

LETTER OF APPRECIATION

Dear Officer Brown:

Congratulations, once again, on your successful election to the position of Secretary with the Wisconsin State DARE Officers' Association this year. This is the fifth year that you have been elected to this position, which shows the obvious trust and faith that your peers have placed in your ability to fulfill this important leadership position.

As in past years, you have worked tirelessly to make Elm Grove's DARE program one of the best in southeastern Wisconsin. Due to your hard work and dedication as secretary, of the Southeastern Wisconsin DARE Officers Association's Brewers game outing, you have earned another \$1,000.00 for use in providing continued quality course materials and supplies in support of our local Elm Grove DARE program.

Thank you for all of your hard work and efforts!

With sincerest appreciation,

A handwritten signature in black ink, appearing to read "James P. Gage".

Under Wisconsin State law, Elm Grove is required to have a Police Commission. The members of the Commission are appointed for five years by the Village President, with the confirmation of the Village Board, and serve on the Commission without compensation. The Police Commission has authority over all members of the police department who have arrest powers. The duties of the Police Commission, established under Wisconsin Statute, are:

- 1) Appoint, suspend or remove the Chief of Police.
- 2) Approve appointments and promotions of subordinates in the police department made by the Chief of Police.
- 3) Establish a selection process and eligibility list for entry level positions.
- 4) Establish a selection process and eligibility list for promotions within the police department.
- 5) Approve the examinations to be used to judge suitability for appointment.
- 6) Control examinations, designate and change examiners and establish compensation to be paid to the examiners.
- 7) Approve each list of individuals determined to be eligible for appointment to the police department.
- 8) Hear appeals from subordinates in the police department who have been suspended by the Chief of Police and who request a hearing.
- 9) Suspend the Chief of Police and subordinates pending the filing and hearing of charges.
- 10) Initiate charges against the Chief of Police or any subordinate.
- 11) Hear charges filed against the Chief of Police or a subordinate, make findings and determinations and impose penalties.
- 12) Adopt rules governing the administration of the disciplinary and appeal process.
- 13) Receive, investigate and resolve citizen complaints filed against sworn members of the police department.

The Commission met:

March 24, 2017 – Chief Gage provided information on personnel and departmental activities, specifically related to three expected vacancies. The Commission conducted interviews of police officer candidates. Mr. Sean Lenardic and Mr. Robert Gilbreath were unanimously appointed to the position of police officer. Candidate Alexander Hockett was placed on an eligibility list, with approval for appointment when a vacancy occurs.

May 16, 2017 -- The Commission met for the annual election of officers. Mr. Molter moved and Mr. Kasprzak seconded the motion to nominate and cast a unanimous ballot for Robert Haugh as president, David Molter vice-president and Allan Kasprzak secretary, motion carried unanimously. Chief Gage provided an update of personnel, departmental activities, recent news items and the progress of new officers. Chief Gage also reminded the Commission of Alexander Hockett's upcoming swearing in ceremony on May 22, 2017.

September 6, 2017 – Chief Gage provided an update on departmental activities and the progress of the three new officers. The Commission met to conduct police detective interviews. Officer Preston Nobile was unanimously appointed to the position of police detective.

POLICE VOLUNTEERS

The Elm Grove Police Department maintains volunteer programs that will allow qualified citizens to assist and support the police department personnel with their mission of providing service, protection and safety to the citizens and visitors of the Village of Elm Grove.

PURPOSE

To provide structure and guidelines for citizens to better utilize their unique skills and to guide their enthusiasm in helping the department meet its mission.

STRUCTURE

Citizens may assist the police department by gaining membership to one of two volunteer organizations:

Explorer Post #177 – a youth organization, chartered through the Boy Scouts of America. The program is open to young adults between the ages of fourteen and twenty-one years of age. Past members of this program have gone on to serve in local and federal law enforcement agencies.

Elm Grove Police Citizen's Police Academy Alumni – an adult organization consisting of graduates of the Elm Grove Police Department's Citizen's Police Academy. Alumni members are responsible for donating hundreds volunteer hours to the police department, along with generous monetary donations of hundreds of thousands of dollars of donated items; to include patrol rifles, TASERS, flashlights, thermal imaging, radar / speed trailer, office remodeling and even a gazebo and brink pathway for the village park. Many former CPA members have continued to serve in various areas of local government.

Both organizations are registered with the USA Freedom Corps, Volunteers in Policing program, sponsored by the U. S. Department of Justice and the International Association of Chiefs of Police. Each organization is governed by individual organizational by-laws and guidelines.

Members of both units help with Village Board packet deliveries, training exercises, low level surveillance, alcohol and tobacco compliance checks and traffic and crowd control duties for Memorial Day, Fourth of July, or other special events.

ENFORCEMENT STATISTICS

Activity Totals

Below are the basic summary totals for complaints investigated vs. traffic stops. Complaints investigated are generally “called in” complaints by citizens, while traffic stops are self-initiated officer based complaints, that may involve anything from a minor traffic violation to the discovery of a more serious crime (i.e. stolen vehicle, drug violation, warrant arrests, etc.).

	2012	2013	2014	2015	2016	2017	2017 (-) 2016 Comparison	2017 vs Previous 5 Yr Average
TOTAL ACTIVITY	8,816	7,707	7,522	7,495	7,644	7,743	1.30%	-1.20%
Complaints Investigated	4,288	3,858	3,823	3,904	4,031	3,847	-4.56%	-3.36%

Crime Index - Part I Offenses

The Elm Grove Police Department participates in the Uniform Crime Reporting (UCR) system. The crime statistics for the Village of Elm Grove are submitted monthly to the Wisconsin Department of Justice, Office of Justice Assistance. The information is then forwarded to the Federal Bureau of Investigation, Uniform Crime Reporting Division. The FBI compiles nationwide crime statistics and publishes *The Uniform Crime Reports* in November of each year. **Beginning in 2018, the department will switch to the Incident Based Reporting (IBR) system. While this system is more complex, we believe that IBR will more accurately reflect our activities in Elm Grove.**

The Crime Index is the total amount of Part I offenses. Part I offenses are comprised of the following crimes: homicide, sexual assault, robbery, assault, burglary, theft, and motor vehicle thefts. In 2017 the Crime Index for Elm Grove was 61. This figure represents a -32.22% decrease in crime, compared with 2016. The 2017 vs. the previous five year average also shows an overall -9.76% decrease. The significant decrease occurs in the Theft (70 in 2016 vs. 49 in 2017) category. When dealing with small numbers, changes in those numbers represent large percentage changes.

PART I CRIMES:	2012	2013	2014	2015	2016	2017	2017 (-) 2016 Comparison	2017 vs Previous 5 Yr Average

SERVICES

Dispatch and Administrative Services

Core Dispatch and Administrative Support Functions

The core dispatch functions refer to those activities that relate directly to emergency 9-1-1 dispatching:

- Answer 9-1-1 telephone calls for police, fire and emergency medical services (EMS).
- Answer non-emergency telephone.
- Dispatch police, fire and EMS for calls for service; record time of call, time of arrival and time officer reports back in service.
- Query Department of Transportation records on registration and driver's file data as requested by officers.
- Record and maintain master index file on complaints, victims and other parties encountered by police.
- Query Crime Information Bureau (CIB) and National Crime Information Center (NCIC) on wanted subjects and stolen property information.
- Record and maintain daily activity calls of various police activities conducted each shift.
- Monitor radio traffic of surrounding jurisdictions for information of concern.
- Serve as a telephone communications link between officers on patrol and parties that must be contacted or notified, such as towing companies, hospitals, etc.
- Call in additional officers and support personnel as needed.

Essential Dispatch and Administrative Support Functions

Essential dispatch functions are those duties that require 24-hour monitoring or immediate response. These tasks include:

- Confirm wanted person warrants (locally generated) and stolen property hits as requested by other agencies within 10 minutes, as required by the Transaction Information for Management of Enforcement (TIME) system.
- Type reports for district attorney for lock-ups.
- Handle public walk-in service counter (citizen requests for information and report copies, dog licenses, bail and forfeiture payments, and complaints).
- Monitor officers in booking and cellblock area via video system, summoning assistance when appropriate.
- Monitor building security cameras.
- Control building security access doors, consisting of general government and main police station (public access) door, all booking and cell block area doors and prisoner unloading garage doors.
- Monitor building alarm panel for fire, pool and general government alarms.
- Provide dispatch service to highway department crews (snow removal, downed trees etc.) after business hours.
- Record overnight parking permission information and disseminate to patrol officers.

Secondary Dispatch and Administrative Support Functions

The third category is Secondary Dispatch Functions. These tasks include:

- Enter information on wanted persons and stolen property into NCIC and CIB systems and maintain appropriate related files.
- Keep record of officers' on-and off-duty.
- Assign complaint and booking numbers.
- Assist municipal court clerk (validate municipal warrants, run Department of Transportation queries, file citations and summons).
- Record and maintain vacation home check file.
- Monitor, review and distribute all teletype information received by the department.
- Prepare daily log information and important teletypes for roll call.

In addition to understanding the core, essential and secondary dispatching functions of the Elm Grove dispatcher there are three other areas of the dispatching position that are important. These three areas are staffing, division of tasks, and the difference between dispatching police, fire, and EMS.

Staffing

Elm Grove dispatching staffing levels currently call for six full time dispatchers. The full time employees fill three around the clock shifts, filling a work schedule of four days on, two off.

Difference between Dispatching Police, Fire and Emergency Medical Services

One of the important nuances of dispatching is the difference in the way the Elm Grove dispatchers dispatch police as compared to how they dispatch fire and emergency medical services (EMS). For example, the police communicate frequently, several times an hour with the dispatchers. When the officers are out on patrol the dispatcher is the officer's primary link to the police station. The dispatcher serves as the police officer's tether or lifeline from the street to the station. Elm Grove officers rely heavily on the dispatcher for their safety. As such police officers take the relationship between themselves and their dispatcher very seriously.

This relationship between dispatcher and police officer is contrasted with the relationship between dispatcher and firefighter or dispatcher and emergency medical technician EMT (for brevity sake firefighters and EMS personnel will be jointly referred to as rescue personnel). Foremost the dispatcher communicates very infrequently with rescue personnel. This is primarily due to the nature of the jobs. Rescue personnel do not patrol the streets of Elm Grove like police officers do. Therefore there is no need to keep in periodic communication with the rescue personnel. Communication between the dispatcher and rescue personnel occurs almost exclusively when there is an emergency. For Elm Grove, such an emergency occurs 34 times a month or approximately once a day. This means that on average, the dispatchers communicate with rescue personnel only once every 24 hours.

While communication between dispatchers and police officers is sometimes intense during an emergency situation it is most often characterized as normal interaction. This is not the case with communication between dispatchers and rescue personnel. Those infrequent communiqués are almost always filled with the tension of an emergency situation.

Calls for Service

The following table reflects the types of calls for service that Elm Grove Police Officers responded to in 2017. The actual type of call could change or be deemed “unfounded” upon further investigation.

CASE Classifications

All cases start as a call and become a case when a call results in additional investigation, a criminal action, or arrest/custody action. For example, a “theft” call may end as a “fraud” case. This is why there are 124 theft offense **calls** reported above, but only 59 theft **cases** reported below. Presumably, 65 theft **calls** did not match the criteria for a theft crime and a **case** was not generated, or the **call** was reclassified as a fraud or some other **case** classification.

Emergency Medical Services

The Elm Grove Police Department’s commitment to the community goes beyond traditional policing services to include training in emergency medical services. All police officers are trained as Emergency Medical Technicians in emergency medical care and licensed by the State of Wisconsin. The initial training consists of over 140 hours of classroom instruction with practical hands on care and 30 hours of refresher training every two years. One police officer is a paramedic, with approximately 1000 additional hours of medical training, requiring 48 hours of annual in-service and certification in Advanced Life Support Care. The department’s medical program has oversight from an Emergency Room Physician to ensure appropriate current topics in medicine are being presented to officers. Officers responding to calls for medical services, at minimum, provide an initial patient assessment and basic life support, until an ambulance arrives. Elm Grove Police Officers are one of many medical providers a patient will encounter when suffering from a medical condition. This early intervention is provided to correct or slow any significant condition a patient is experiencing. In 2011, officers began carrying specialized trauma “go-bags” to address serious hemorrhage and penetrating trauma. The bags are primarily supplied to assist officers with devastating gunshot, stabbing injuries, or to assist victims of active shooters. They are designed to be carried on their person, while moving through a hostile environment. To date, officers have used this specialized equipment to help a construction worker, after a mishap with a circular saw, a citizen with a severe femoral artery bleed and a severe multi-injury suicide attempt. One officer is currently trained in the Tactical Emergency Medical System advanced level (40 hour course), with all other officers having received basic TEMS at in-service training. In addition to these trauma care “saves”, our officers are regularly an integral part of “cardiac saves” in our community. Combined with our rapid, emergency medical trained dispatch staff, Elm Grove remains one of the best communities, in southeastern Wisconsin, at addressing your life threatening emergency.

During 2017, officers responded to 285 calls for emergency medical service, along with providing assistance to seniors who may have fallen but did not require ambulance transport. Compared to 2016, this is a decrease in total ambulance calls of approximately 1.7%.

Detective Bureau

The Detective Bureau is responsible for investigating all major crimes within the Village of Elm Grove and assisting patrol officers with investigations and at crime scenes. The detective bureau consist of two detectives, Detective Craig Mayer and Detective Preston Nobile. The following represents the activity of the Detective Bureau in 2017:

Criminal Investigations: Patrol officers investigated approximately 643 calls for service involving case reports and approximately 41 were directly investigated by the detective bureau or forwarded to the detective bureau. This does not include continuing investigations from 2016.

Some major crimes from 2017 included:

- 13 Fraud investigations which include credit card fraud, forgery, and identity thefts.
- 1 Burglary investigations resulting in arrest.
- 7 Theft cases
- 2 Armed Robbery investigations resulting in arrests.
- 1 Sex Offense investigations resulting in arrest.
- 3 Death investigations resulting in one arrest.

Property Inventory: The Detectives maintain all evidentiary property and is responsible for the department's property room. In 2017, 580 pieces of property were entered into the computer as stolen, recovered, safe keeping, evidence for court, or evidence to be destroyed at the Wisconsin State Crime Laboratory. Numerous pieces of evidence were transported to the state crime lab for further processing and destruction. There were a total of 92 pieces of evidence returned to owners. The Detectives are responsible for ordering and maintaining evidence supplies according to the detective bureau budget.

In addition to some of the major investigations, search warrants and subpoenas were requested, issued by the court, and executed.

The Detective Bureau is also responsible for submitting all case referrals to the Waukesha District Attorney's Office, social services, and corporation counsel. When the reports are received and charged, the Detectives will sign the criminal complaints for each case. On average, the Detectives respond to the Waukesha County District Attorney's Office one time per week. There were 195 reports transported to the district attorney's office in 2017. In addition, the detectives work as liaisons between our department and the Waukesha County District Attorney's Office for court scheduling and officer subpoenas.

The Detective Bureau is also a member of the Major Investigation Unit (MIU) for Waukesha County. The MIU consist of membership from seven police jurisdictions in Waukesha County. The MIU responsibilities are to respond to major crimes in Waukesha County when called upon.

The Detective Bureau is also assigned as an evidence technician to process major crime scenes and to process all evidence recovered and brought to the police department as well as transporting evidence to the Wisconsin State Crime Laboratory.

In addition, the Detectives attend monthly meetings with the Wisconsin Area Fraud Investigators Group which discusses the trends of crimes committed in the Southeast Wisconsin area. The Detectives also attend monthly meetings with Southeast Wisconsin Retail Theft Investigators Group.

The Detectives also attend the same firearms training, Wisconsin State in-service training, EMT training, and DAAT training as the patrol officers.

COOPERATIVE LAW ENFORCEMENT SERVICES

Suburban Critical Incident Team (S.C.I.T)

This team of officers from the Brookfield, Chenequa, Delafield, Elm Grove, Hartland, Mukwonago, Muskego, New Berlin and Pewaukee Police Departments are trained to handle highly critical calls, such as barricaded persons, negotiations, serving high risk warrants, or conducting surveillances. This is a significant mutual aid agreement as the team serves as a back-up to other similar teams in the county, such as the Waukesha County Sheriff's Department and the City of Waukesha Police Department.

Major Investigations Unit (M.I. U.)

This team of officers from Chenequa, Elm Grove, Delafield, Lannon and Pewaukee Police Departments are trained and prepared to investigate all major crimes that may occur in any of these communities. This mutual aid agreement allocates necessary resources to investigate major incidents and allows each community to maintain adequate police coverage for other activities, without interrupting investigative efforts. The sharing of equipment and resources makes this team cost-effective and provides a professional quality investigative product. The team also serves as a liaison to other investigative teams in the county.

Suburban Mutual Assistance Response Team (S.M.A.R.T.)

This is a cooperative effort between agencies in southeastern Wisconsin allowing for mutual aid during a significant event. Within sixty minutes, a community that is a member of S.M.A.R.T can expect up to sixty-five law enforcement agencies responding to help with an incident. The team currently encompasses agencies from Racine, Jefferson, Walworth, Milwaukee and Waukesha Counties.

Waukesha County Metro Drug Unit –

In Fall of 2013, the department started the process for membership with metro, gaining full membership in early 2014. As a result, the department has an officer assigned to this unit on a part-time basis. Illegal drug activity in our community is a significant and never ending problem. By being a member of the Metro Drug Unit, participating agencies have a global view of the drug issues in our region. By partnering with county and federal assets, participating officers are able to bring back information and training to patrol officers that will better equip officers to recognize and address drug related crimes, during their patrol assignments. Additionally, Metro assigned officers, working on active cases, may also take advantage of possible asset forfeiture funds that may then be used to enhance the local agency's enforcement efforts.

Tactical Emergency Medical Service –

This unit consists of highly trained medical providers that are able to work in a tactical combat environment, where medical providers need to access injured persons in highly volatile conditions, like an active killer event. The team is made up of both sworn law enforcement officers and non-sworn civilian medical professionals. All team members are armed and are required to pass the state law enforcement firearms certification on an annual bases. Team members currently include three police officers paramedics (Chris Freedy, Gus Moulas, Dr. Jon Robinson) and two non-sworn paramedics (Team Leader and Flight for Life Medic, John Schindler and Paramedic Curt Waddell). The team trains various tactics and patient movement drills, with regular duty police officers, on a quarterly basis. Almost all of the equipment for the team is covered by private donations or supplied by the team member.

Civil Disturbance Unit –

This unit consists of specially trained officers from several law enforcement agencies in Waukesha County. The unit may be called upon by any community to assist with large gatherings and demonstrations, where law enforcement officials feel a large specially trained and equipped team of officers is needed. Currently, Officers Weber and Holsbo are assigned to this unit.

TRAINING

Training

The goal of the Elm Grove Police Department is to deliver the highest quality service to the community. In order to achieve this goal, our personnel must be familiar with the most recent changes in laws, court decisions, law enforcement techniques and technology. The Elm Grove Police Department utilizes many training programs presented by Federal, State, and local levels to accomplish this goal. In addition, the Elm Grove Police Department has many talented individuals who are certified as instructors in areas such as: field training, firearms, defensive tactics, and crime prevention. These individuals provide in-house training at roll call presentations and specialized training sessions

Beginning in 2005, all members of the Elm Grove Police Department began an ongoing training program that will carry over into coming years. The National Incident Management System (NIMS) has been developed by the federal government to prepare responders in dealing with events that may occur in the community and stretch the available resources. During 2009 and continuing through 2017, all supervisory personnel continued the advanced training necessary to plan for and execute the long term management of a significant incident.

The Elm Grove Police Department continues to educate their personnel on the newest techniques and available technology with the hopes of maintaining a level of service available only in Elm Grove.

ADVANCED MANAGEMENT TRAINING

Command staff members that have attended advanced management ten week programs:

The FBI National Academy:

Assistant Chief Gust W. Moulas (ret.), Session #153

Chief Jeffrey W. Haig (ret., deceased), Session # 159 [attended as a Fox Point Captain]

Chief James P. Gage, Session #252

Northwestern University, School of Police Staff and Command:

Chief James P. Gage, SPSC Class #82

Assistant Chief Jason R. Hennen, SPSC Class # 149

Lieutenant Jason Kubiak, SPSC Class #203

Sergeant Ryan Unger, SPSC Class # 310

Sergeant Joseph Ipavec SPSC Class #355

Firearms Training

The Elm Grove Police has a formal training program which is designed to test and enhance the skills of the police personnel. In 2017, in addition to the Firearms training received during their annual In-service training, most officers received an additional 10 hours of firearms instruction. The training program is designed by our Firearms instructors and is overseen by the Chief of Police. The instructors are certified as Firearms instructors by the Wisconsin Department of Justice. Having these instructors on staff enables the Department to train personnel while on duty. The training sessions begin with basic techniques, and then progress into emphasizing the importance of split second decision making coupled with the proper and proficient use of the firearm. Actual scenarios are duplicated on the range to test and refine the skills of the personnel. High stress scenarios are also designed with the use of force on force marking ammunition and live ammunition to depict dangerous situations that officers may encounter while at a residence, business or while on a traffic stop. The instruction also includes officer safety tactics, weapons safety, weapon retention, verbal skills, legal considerations and proper documentation if deadly force is used.

- In February, officers trained at the City of Brookfield Police Department using their newly issued Sig Sauer P320 .40 caliber service handguns. Officers completed the WI Department of Justice qualification with the new weapons, as well as practiced shooting in a low light atmosphere with their weapon mounted lights.
- In April, officers trained at the Waukesha County Technical College firearms range using their squad Sig Sauer 516 rifles. The training involved an overall review of rifle operations as well as an introduction to the new weapon mounted optics. Officers trained with the rifle in different shooting positions while wearing tactical ballistic vests and helmets, which provide additional ballistic protection for each officer during critical incidents. Officers also completed the WI Department of Justice qualification with their Sig Sauer P320 .40 caliber service handguns.
- In June, officers trained at Tonawanda Elementary school reviewing Active Shooter response tactics with Rescue Task Force integration. This training also involved Elm Grove Fire and EMS department personnel.
- In August, officers trained in Force on Force scenarios at the Department of Public Works grounds. Officers were trained in recognizing and responding to deadly force situations, as well as avoiding officer safety risks while on traffic stops, and reviewed tactics for safely performing high risk traffic stops.
- In October, officers trained at the Waukesha County Technical College firearms range using their Sig Sauer P320 .40 caliber service handguns. Officers again completed the WI Department of Justice qualification, as well as practiced room clearing in a low light atmosphere while having to engage multiple adversaries.

All of the above training is necessary and contributes in satisfying recommendations set by federal and state authorities requiring police officers to be trained in a variety of skills and scenario situations to help minimize the effects of stress on their performance and improve their decision making in use of force situations.

Defense and Arrest Tactics (DAAT)

The Elm Grove Police Department has a Defense and Arrest Tactics Training (DAAT) program which is designed so that officers will know and become efficient in the application of all the skills instructed in the DAAT curriculum. The DAAT system has a guideline which assists law enforcement officers to analyze a subject's behavior and to determine a reasonable level of force to use in response to that behavior. The techniques used in this system were adopted by the Wisconsin Department of Justice and the Law Enforcement Standards Board in 1987. There are five different modes contained in the system, they are: Presence, Dialog, Empty Hand Control Techniques, Intermediate Weapons, and Deadly Force. Each mode contains several techniques and skills which were instructed to the officers during the year, along with several other topics such as, Decentralizations, Protective Alternatives, Handcuffing, Weapon Control Techniques, Taser deployments, and pressure points. Officers also participated in force on force training, which included de-escalating from a deadly force scenario into a non-deadly force situation. Officers also participated in force on force training that included scenarios in which they escalated from less lethal force to deadly force. Officer Preston Nobile is the Department's certified DAAT instructor. Annually, each patrol officer receives approximately nine to twelve hours instruction.

- In January, Officers reviewed, discussed, and performed the following DAAT techniques: Reaction Hand Strikes, Strong Angle Knee Strikes, One Officer Ground Handcuffing, and Multiple Officer Ground Handcuffing. Officers completed isolation exercises in all the above DAAT techniques.
- In March, Officers reviewed, discussed, and performed the following DAAT techniques: Pressure Points, One Officer Ground Handcuffing, and Multiple Officer Ground Handcuffing. Officers completed isolation exercises in all the above DAAT techniques.
- In September, Officers reviewed, discussed, and performed the following DAAT techniques: Taser deployment, with care after deployment. Handcuffing while under the power of the Taser, weapon retention, and another review of ground handcuffing. Officers completed isolation exercises in all the above DAAT techniques.
- In November, Officers participated in Force on Force training at 2075 Elm Tree Court. Officers were presented with scenarios in which they were encountered with subjects displaying active resistance, passive resistance, or their threats. Officers were also exposed to use of force situations in which they needed to either escalate the use of force or de-escalate the use of force on subjects.

COMMUNITY SERVICES

ELM GROVE BIKE PATROL

The Elm Grove Police Department has nine officers that are trained as bicycle patrol officers. The Department has three fully equipped mountain bikes. The existence of the bike patrol program is due to generous donations from citizens and businesses. The donations provided funds for the purchase of three mountain bikes, all of which are sized differently to accommodate the different sized officers. The first donations also included funds to purchase state of the art equipment and lighting as well as provide uniforms and training for our first bicycle patrol officers.

In 2017, when staffing levels permitted, bike patrol officers spent time patrolling on bikes, including special events. The patrol bicycles are used at special events such as the Memorial Day Parade, the Fourth of July Fireworks and festivities in the park, Concerts in the Park, Safety Village, Elm Grove Bicycle Safety, and can also be seen patrolling the Park n Shop and downtown area. They are also utilized to target special crime watch areas that have unusual increases of incidents such as burglaries or thefts from motor vehicles. When staffing levels permit, the bike officers conduct periodic patrols of the village, including remote areas that squad cars cannot enter. The bike patrol allows the officers to have one on one contact with the public. Members of the public are encouraged to approach the bike officers so they may answer any questions or address concerns.

Drug Abuse Resistance Education

The D.A.R.E. program, which began in 1983, is a nationally acclaimed program in which specially trained police officers teach a 10-16 week anti-drug/anti-violence curriculum to elementary school students. D.A.R.E. teaches the 5th grade students the dangers of drug abuse, gives

concrete ways to refuse peer pressure and teaches responsibility with risks and consequences, reinforces the concept that each person has a right to make their own healthy and wise choices, and gives the decision making life skills necessary to resist and stay away from any drugs, alcohol and violence. Studies show that students who have completed the D.A.R.E. program were five times less likely to start smoking compared to kids who did not participate in D.A.R.E. The Elm Grove Police Department has been teaching DARE since September 1990.

- Police Officer Sandy Brown is the Department’s D.A.R.E. officer, since 2009. In 2017, the D.A.R.E. program was funded by the Village of Elm Grove, with supplements from many other donations. We would like to say THANK YOU from the local businesses for their donations to our Elm Grove program! The Elm Grove Junior Guild, Women’s Club, UPS Foundation, RJ’s Ice Cream, Culver’s, Jimmy Johns, Ace Hardware, Penelope’s, Jilly’s Mobil, Sendik’s-Jim Clemens, McDonald’s, Snapdragon Floral, Jen Morris Photography and Silver Spur all have contributed/donated to our program. Some of the businesses donated monetarily in addition to the food for the graduation luncheons and coupons for the graduates!!!
- These donations greatly help out our D.A.R.E. program & make it to thrive! Please contact Officer Brown at sbrown@elmgrovewi.org if you or your business is interested in donating to our local D.A.R.E. program or if you have any questions about volunteering for D.A.R.E. events. The support we have received has been outstanding over the past few years and has continued to grow, which helps our program succeed, thanks to our donors, teachers, and staff. We couldn’t do it without all of the support from everyone! Officer Brown and the students THANK YOU ALL so very much! Essay Winners received extra prizes!

WISCONSIN DARE OFFICERS ASSOCIATION- WDOA www.darewisconsin.org

- In 2017, Officer Brown was re-elected as the State WDOA Secretary position which is a 2 year term. She continues her position from 2017-2019, representing EGPD on the state level since 2013. She is also on the fundraising raffle committee for the WDOA, held at the annual training conference, which raises funds for continuing education and training for the DARE Officers in WI. ACE Hardware, Jane Pipia Embroidery, Azana Spa, Culver’s, Trader Joe’s, Sunset Playhouse, Fazio’s, Snapdragon, Jilly’s Mobil, Coopers Hawk, Chocolate Factory, Great Harvest, Otto’s, Milwaukee Brewers, are the local businesses who have donated items for the WDOA fundraising raffle, among others from around the state. Thank you so much for your support!

- Officer Brown continues to be an active member in the SEWDOA group, (Southeast Wisconsin Dare Officers Association) since 2014. The SEWDOA organizes the DARE Brewer Game tailgate event which raises funds for our local DARE programs. The April 29, 2017 game was a success despite the weather ! Several members of the Elm Grove Citizen Police Academy Alumnae Association volunteered and helped us prepare all the hot dogs for everyone! THANK YOU EGCPAAA! Contact me if you would like to volunteer or buy tickets and support us! sbrown@elmgrovewi.org
- **2018 DARE DAY Brewer Game date is Saturday, April 21, 2018, against the Miami Marlins.**

ELM GROVE D.A.R.E.

The 2017 Elm Grove D.A.R.E. curriculum consisted of 10 lessons plus a graduation day. The D.A.R.E. course was presented to 117 Fifth grade students at Tonawanda Elementary School, St. Mary's Visitation School and Elm Grove Lutheran School. The course of instruction included:

- Completion of "Keepin' it Real" D.A.R.E. workbooks with a weekly D.A.R.E. assignments that reflected each lesson, including stress management, effective listening, and scenarios to solve using the Dare Decision Making Model- Define, Assess, Respond, Evaluate. Students completed the work in individual, pairs, and groups during the 10 lessons.
- "Family Talk" student and parent discussion sheets for more parent involvement in the D.A.R.E. program.
- Completion of a one-two page DARE story, essay or poem, which is a statement of each student's commitment to stay drug free, why they think DARE is important to keep in their lives, and how they're going to use it.
- Additional topics such as Over the Counter/Prescription medication safety, internet safety and cyber-bullying. Some students had a chance to wear the fatal vision "drunk goggles" and tried to walk a straight line while wearing them. When time and staffing permits, cyber bullying/internet safety lessons can also be presented with the schools and /or parent's/ organizations requests.
- Students took part in a graduation ceremony and donated luncheon and received a t-shirt with sponsored businesses listed on the back, pin and certificate of completion of the D.A.R.E. program. Students also are awarded pencils, erasers, stickers, and other prizes which are funded through donations.
- Upon graduation of the D.A.R.E. program, the D.A.R.E. graduates were provided with a Wisconsin Dells discount card, valid for 20% off at 41 participating WI Dells attractions. The card is valid for the student and three other family members for the 2017 season. The cards are provided at no charge by the Wisconsin Dells Visitor & Convention Bureau.
- A special THANK YOU to our Guest Speaker District Attorney Sue Opper and ADA Leslie Boese from the Waukesha County District Attorney's Office, who takes time out of their busy schedules to talk to the kids at our DARE graduations of the importance of making good decisions and choices.

- DARE graduates (and their families) of past and present, participated in the annual DARE Day Brewer Game and tailgate on April 29, 2017. All DARE students, graduates and any families are encouraged to attend the **2018 DARE Brewer game on April 21, 2018 at 6:10pm** game. Contact me for tickets to this family based, affordable and awesome fundraising event!

Elm Grove D.A.R.E. Pledge

I know who I am and know that I want to remain happy and healthy.

I have learned of the devastation that drugs can do, not only to me but to the ones I love and care about. I know and have practiced the skills needed to make wise, healthy decisions against drugs, bullying and violence. I am in charge and I will help others resist drugs and violence in a time of weakness. I pledge to say NO to all illegal drugs, the abuse of substances, and violence! OTHER PUBLIC RELATIONS EFFORTS

CITIZEN POLICE ACADEMY ... began in 1998. It is safe to say each has come away with a greater understanding of what we do and the challenges we face. Our staff has learned from participants their perceptions, priorities, and concerns ... invaluable information to help us be more effective. Perhaps the best measure of success is the creation of an Alumni Association - by the graduates themselves - to continue their involvement with the Department. For more information about the Citizen's Police Academy, see the personnel section.

EXPLORER POST 177... has provided well over 120 teenagers the chance to learn about law enforcement and law enforcement officers. At least 25 alumni that we know of have pursued Criminal Justice careers, including, Sergeant Natalie Hudzinski, Assistant Chief Gus Moulas [ret.] and Chief Jim Gage. Just as importantly, dozens more are going through their lives with positive insights and attitudes regarding the police because of their experiences in this program. For more information about Explorer Post #177, see the Personnel Section.

SAFETY VILLAGE ... each August we have the chance to positively influence several dozen preschool children (and their parents). The opportunity to work with the Junior Guild, as an important influence in the community, is seen as a real positive for us. Each year one officer is assigned to assist with instruction of important safety tips for our youngest of residents.

ANNUAL BICYCLE SAFETY PROGRAM ... each June the village has hosted this fun safety program for all area children, drawing 200-300 participants, and almost as many parents. The past few years, Park and Rec. has taken over the management of the program and the Brookfield Police Department and Elmbrook Hospital have joined us in making this a true community event. Our bicycle patrol officers and on-duty personnel always take advantage of meeting the public, by attending this program.

COLLEGE INTERN PROGRAM ... almost every semester, we host a Criminal Justice college student for a ride-along program in which we evaluate the student, and for which they receive three credits. UW-M, Marquette, WCTC and MATC all have placed students with us. This program helps our Field Training Officers maintain their skills, gives the student a positive, inside look at our Department, and maintains valuable relationships with the Universities and Voc- Techs.

BUSINESS SECURITY CHECKS ... we spend some 1100 hours each year checking the security of closed businesses, and the business community's sense of safety is well worth it. Though they rarely enjoy middle-of-the-night calls when doors or windows are found open, they realize and appreciate our vigilance. Through this function we maintain on-going relations with them, as we do through the process of updating and maintaining our "key holder" list.

RESIDENTIAL (VACATION) HOUSE CHECKS ... a program where a home owner can advise the police department that the residents will be away from the home and provide pertinent information about key holders and property condition, should something happen while the home owner is away. Officers will also check the home, from time to time, to ensure that there are no crime inviting issues or emergent problems with the property (i.e. burst water pipe, storm damage, etc.).

SECURITY NOTICES ... are another P.R. tool we use to encourage security awareness and assure citizens of our vigilance. Printed reminders inform them of open garage doors, mail & papers accumulated, or other crime-inviting situations.

AUTOMOBILE LOCK-OUT RESPONSES ... provide a convenient service to forgetful or careless motorists. Though very few Departments continue this function due to workload or liability concerns, it provides us the chance to perform as "rescuers" rather than our more common role as "enforcer": pure public relations!

AUTO SAFETY CHECKS ... certifications necessary for school personnel to transport students in their private vehicles. If we didn't do it, they would have to go to State Patrol Headquarters. Our image as "team players" is enhanced by this fairly simple service: the convenience is really appreciated by school staff.

FINGERPRINTING SERVICES ... is another convenient public service we offer to our residents or business people. These fingerprints are needed for securities licenses, adoptions, bartender licenses, and other employment requirements. While under no obligation to perform this service, we welcome the opportunity to meet and serve our citizens.

"NO PARKING" SIGN PROGRAM ... is yet another way we meet and serve our residents and service clubs. In what I believe is a unique program, we loan "No Parking" signs on posts to anyone holding special events that will likely generate parking problems. This system has citizens accepting joint responsibility with us for maintaining public peace and order - a concept all too rarely seen these days, and one of the main reasons, I'm convinced, of this community's low crime rate.

McGRUFF PROGRAM FOR YOUNGER CHILDREN ... gives us, in addition to Safety Village, positive contact with preschoolers on up to 4th graders, with age appropriate messages about "stranger danger", obeying rules, theft, etc.

SCOUTING CITIZENSHIP BADGE TOURS ... give us the chance to show off our facility and explain our role in society to Cub Scouts and Brownies, who earn merit badges for the exercises. We typically give 2-4 such tours each semester, showing the police as the "good guys" to some 70 children per year.

CIVIC GROUP PRESENTATIONS ... we regularly provide speakers to civic groups such as the Rotary, Legion Post, Business Association, St. Mary's Senior Center, and others on specific topics or areas of general safety concerns. We're always pleased to give these presentations, and regardless of the group or the topic, a common theme is always "working together to make this a better community."

SPECIAL EVENT COORDINATION ... is one of the "fun" public relations arenas in which we participate. In an environment of mutual respect and community service, we help plan and coordinate the Memorial Day parade, 4th of July activities, soccer and tennis tournaments, Easter egg hunts, Rec programs, large funeral processions, and special school activities, to name a few. Working with the civic groups, schools, business groups, and other Village Departments is most rewarding, as is contributing to the success of these events, which help make this the great community that it is.

NOTARY PUBLIC SERVICES ... are available to the community at no charge. We usually have a Notary available from 8:00 A.M. to 4PM.

"TRAUMA" TEDDY BEARS ... are stocked in all patrol cars, the ambulance, and a fire truck. The value to a traumatized youngster of a huggable stuffed animal amid the turmoil of an auto accident, medical emergency, fire, or domestic dispute must be seen to be appreciated. This is another two-level public relations program: we (and the kids) "win" when we hand out a teddy bear; and our interaction with the service organizations that provide the toys is great community public relations in and of itself.

RADAR TRAILER ... purchased with a private citizen donation, conveys to drivers our sincere interest in traffic safety. No tickets are written: the only goal is motorist awareness and voluntary compliance with speed laws. Our website & in-person request programs foster even more citizen involvement and create yet another opportunity for us to work side by side with residents toward a safer community.

CITIZEN CONCEALED CARRY TRAINING ... This past winter the Elm Grove Police Department conducted four Concealed Carry Weapons classes which were open to the public. The course consisted of a variety of topics including basic fundamental firearm safety, safe carry considerations, proper storage of weapons, legal implications of the Concealed Carry law and the use of deadly force. The course was taught by the Elm Grove Police department's state certified firearms instructors and provided the required instruction needed for citizen's to obtain their Wisconsin concealed carry weapons permit. Sixty citizens attended the classes, so far.

HIGH VISIBILITY ENFORCEMENT (HVE) IMPAIRED DRIVING TASK FORCE ... The Elm Grove Police Department is a participating agency in the Southeast Wisconsin Multi-Jurisdictional Drunk Driving Task Force. The task force is a group of agencies dedicated to the concentrated and coordinated effort to reduce impaired driving through high visibility enforcement (HVE) and education.

Motor Vehicle Fleet

The Elm Grove Police Department maintains a fleet of nine vehicles. Vehicles are funded through the capital budget. Two cars are purchased during even years and one car is purchased during odd years. The 2017 maintenance budget was \$9,000.00. The 2017 budgeted fuel costs was \$20,000.00. The vehicles are assigned, as follows:

- 2011 Ford Expedition. Assigned to primary use by the Detective and Assistant Chief. Also, used by patrol for non-marked use, during inclement weather conditions, or when patrol vehicles are out of service, due to repairs.
- 2013 Ford Police Interceptor SUV. This is a single use vehicle, currently assigned to the Police Chief.
- 2017 Ford Police Interceptor SUV. Used by the Lieutenant and Assistant Chief.
- 2012 Ford Police Interceptor SUV. **Transfer to Hwy Dept. Head**
- 2014 Ford Police Interceptor SUV. Tertiary patrol use.
- 2014 Ford Police Interceptor SUV. Used for school assignments, training and by volunteers for assigned functions.
- 2015 Ford Police Interceptor SUV. Shift Commander marked vehicle. Secondary front-line patrol use.
- 2016 Ford Police Interceptor SUV. Primary patrol use.
- 2016 Ford Police Interceptor SUV. Primary patrol use.

DEER CULLING SAFETY MANAGEMENT

The goal population for deer within Village borders is 25 deer per square mile of habitat. This population goal was established by referencing the Milwaukee Metro Unit (77M) whose deer population had been similarly established (Southeastern Wisconsin Urban Deer Taskforce Final Report 1994). Population goals range from 10 – 35 deer per square mile of habitat throughout the state depending on habitat, climate and human condition. Monitoring of the deer population annually confirms the Village is achieving the determined goal population.

Elm Grove's deer habitat includes the area of .79 square miles or 504 acres. Therefore, if the deer population increases to more than 25 deer per square mile of habitat, or 20 deer, then the deer are actively managed. Deer may be managed to half the habitat amount, or 10 deer.

The police department, by direction of the Police Chief, oversees and inspects all deer sharpshooting locations. The Village contracts with Wildlife Management Services to maintain deer populations in Elm Grove.

Access to prior deer sites has been limited, compared to past years. As a result, the village board approved the netting of deer. This will allow deer culling without having to gain neighbor approval, since no firearm is involved. In 2017 no deer count was conducted. Culling cost is expected to be higher in 2017-2018, since the DNR and state Department of Health require additional testing and recording of deer kills, by the contractor, due to chronic wasting disease. This cost is expected to be passed to the Village.
