Hi Neil,

My husband Tadeo and I live at 920 Katherine Drive. Elm Grove Road passes directly behind our house. We are very strongly against the proposed development. I was told by a neighbor that you would be someone we should direct our concerns to. Please feel free to pass on our letter to any one else you think should hear our opinion. I kept our view on the issue limited to small town feel and values of Elm Grove and left out many of the obvious and other major concerns that I think will be brought up by others such as the massive influx of traffic among other things. Please feel free to contact us at any time.

Thanks!
