President Neil Palmer,

Joan & I have been following  
any progress in building some  
apartments at 13420 Watertown Plank  
Road.

We are working on the idea to  
sell our home in 2 or 3 years. We  
want to stay in Elm Grove and be  
near the park. We have a lot of  
history with raising our 3 children.  
They all loved to swim in the  
pool and our youngest Mike was  
involved with soccer.

We also read the article in  
the latest "Now Paper".

Yes you need some "women"  
on the board.

We will be following the progress  
of an apartment 2 rent.
