Subject: Citizens for the Essence of Elm Grove - Update

Good evening everyone,

I've heard through the grapevine that the trustees are surprised they haven't heard anyone bring their concerns to the Board of Trustees meetings. I've been reminded that the first part of their agenda allows for time for public comments on any subject. I have spoken at this meeting regarding the development previously, as has Adam Berger and Rick Fronberry. I encourage those of you who have concerns and those of you who seek a forum for public opinion about the development to attend these meetings to voice them. The trustees are willing to listen and I think this is a great opportunity for us to voice our individual concerns regarding the development as it stands. The meetings take place on the fourth Monday of every month at 7:30pm. The next meeting is scheduled for November 28th at 7:30pm in the Court room. I am hoping to change my schedule to be able to attend it.
