Good evening!

I would like to express my support of the Reinders project. Although I am not a resident of Elm Grove, I am a business owner and a property owner. I do plan to move back to my property in Elm Grove in the next 1 - 2 years and live out the rest of my years in that home. I love Elm Grove and always thought that the Reinders property was an eyesore in the middle of what otherwise is a charming village atmosphere.

Sincerely,  
Pat Mullikin
