

PUBLIC INFORMATION MEETING NOTICE

UNDERWOOD CREEK DOWNTOWN DAYLIGHTING OPEN HOUSE

Conceptual Layout

- **WHAT:** Underwood Creek Daylighting Project Presentation and Discussion.
Daylighting is the process of opening a waterway that has been artificially channeled underground in a pipe.
- **WHERE:** Community Room, Elm Grove Village Hall, 13600 Juneau Blvd. Elm Grove, WI 53122
- **WHEN:** Thursday, February 15, 5:30-7:30 p.m.
Presentation to begin at 5:30 p.m. open house format to follow after the presentation to allow for questions and answers.

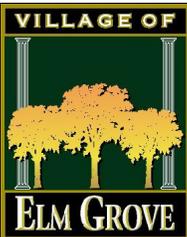

The Village will be holding a public information meeting regarding the Village's planned project to relocate and naturalize a section of Underwood Creek from its current location beneath the Sendik's building and parking lot.

Topics to be discussed: project background, design, grant funding opportunities and possible future amenities.

Additional information is available on the Village website www.elmgrovewi.org
