## **ELM GROVE POLICE DEPARTMENT**

MEMO

January 3, 2017

TO: DAVID DE ANGELIS, VILLAGE MANAGER

FROM: JAMES P. GAGE, CHIEF OF POLICE

SUBJECT: 2016 CAR/DEER ACCIDENT UPDATE

The following is an update to the annual memo detailing car-deer accidents. The 2016 accidents have been added to the running totals listed below.

### Car-Deer Accidents

A review of such reported accidents from 1992 through 2016 reveals the following:

#### **FREQUENCY**

<b>YEAR</b>	<b>CAR-DEER ACCIDENTS</b>	<b>TOTAL ACCIDENTS</b>	<b>CAR-DEER % OF TOTAL</b>
1992	11	250	4.4
1993	10	262	3.8
1994	11	301	3.7
1995	17	291	5.8

## **DEER CULLING SAFETY MANAGEMENT**

The goal population for deer within Village borders is 25 deer per square mile of habitat. This population goal was established by referencing the Milwaukee Metro Unit (77M) whose deer population had been similarly established (Southeastern Wisconsin Urban Deer Taskforce Final Report 1994). Population goals range from 10 - 35 deer per square mile of habitat throughout the state depending on habitat, climate and human condition. Monitoring of the deer population annually confirms the Village is achieving the determined goal population.

Elm Grove's deer habitat includes the area of .79 square miles or 504 acres. Therefore, if the deer population increases to more than 25 deer per square mile of habitat, or 20 deer, then the deer are actively managed. Deer may be managed to half the habitat amount, or 10 deer.

The police department, by direction of the Police Chief, oversees and inspects all deer sharpshooting locations. The Village contracts with Wildlife Management Services to maintain deer populations in Elm Grove.

Access to prior deer sites has been limited, compared to past years. As a result, the village board approved the netting of deer. This will allow deer culling without having to gain neighbor approval, since no firearm is involved. In 2016-2017 only nine deer were counted in the village. No deer culling program was initiated as a result. Culling cost is expected to be higher in 2017-2018, since the DNR and state Department of Health require additional testing and recording of deer kills, by the contractor, due to chronic wasting disease. This cost is expected to be passed to the Village.
