Subject: Underwood Creek Parkway cul de sac proposal
Reply-To: Daniel Cleary <adcleary@att.net>

Mr. De Angelis,

Thank you for your recent letter and information regarding the proposal for a cul de sac at North Avenue and Underwood Creek Parkway.

We oppose the proposed cul de sac given the negative impact it would likely have on Lilly Road. We don't see the increased traffic on Lilly Road as a positive given the current traffic level and speeds, the lack of sidewalks or biking lanes, and the current (deteriorating) condition of Lilly Road. We see regular traffic of families walking, walkers and dogs, and teens and younger children on bicycles. Safety of our residents, particularly our children, is critical.

Thanks again for your letter and seeking feedback from those residents affected by the proposal.

Annette and Dan Cleary
