(Sorry I somehow sent that without finishing my reasoning)

I don't like cutting off that important arterial route. I think it would divert people through Katherine/Upper Lower Ridgeway - which would be really upsetting for those residents. Elm Grove Road is also a great "relief-valve" to the downtown area when there is a train.

Thanks again for managing this important process!

Hi Dave,

Thanks for everything you're doing to get the Master Plan going. It's exciting.

I had to leave the 10/4 meeting early -- but wanted to express my support for Alternative 2. In particular, I feel passionate about leaving Elm Grove Road open as a public, unrestricted road.
