

A WINTRUST COMMUNITY BANK

Mr. Neil Palmer  
Village President  
Village of Elm Grove

Elm Grove, Wisconsin 53122

Dear Neil,

I am writing to offer strong support for the Mandel Group's plan to redevelop the School Sisters of Notre Dame Elm Grove Campus. As you know, the Mandel Group has a history of developing high-quality residential communities throughout the Milwaukee area, and their proposed plans for the School Sisters Campus in Elm Grove is consistent with that track record. Moreover, the design of the project will be sensitive to the historic buildings being preserved along Watertown Plank Road, and will complement the architecture in downtown Elm Grove, including the Town Bank and Watermark sites directly across the street. Therefore, Town Bank supports this project and encourages your favorable consideration.

Neil please feel free to contact me directly should you have any questions or wish to discuss this project further.

Regards,

Jay C. Mack
