Subject: Proposed Development

To whom it may concern,

I'm writing to express my extreme concern over the proposed development of the property currently owned by the School Sisters of Notre Dame. My family and I have lived in Elm Grove for 12 years now and been very happy. We greatly fear that putting an apartment complex on that property will have several negative consequences for life in Elm Grove. The chief concerns are greatly increased traffic along Watertown Plank, possible increase of crime and general lowering of citizenship-standards due to lack of ownership on the property, a negative effect on property values, and a loss of the charming character that is Elm Grove's signature. Please consider what can be done to avoid this development.

Thank you,
