Subject: SNDD Development...

Good Morning!

I am a longtime Elm Grove resident. I do understand the need for change in the Village. While I have not been able to attend your evening meetings on that subject, I try to follow details. Based on what I believe are the current plans for redevelopment of the ND property, I urge you to encourage the developers to lower the projected density projections. It is just too big for our "special little" village.

Thank you for listening.
