Subject: Pathways

Hi Dave,

My name is Clarissa Ortiz and I am a village resident since 2017. I am also on the Elm Grove Junior Guild board and a passionate resident in our community. I wanted to reach out in regards to the topic of pathways, which I understand will be discussed at the upcoming trustee meeting. Having more pathways and sidewalks in our community is something that I've been strongly advocating for since we moved in several years ago. While I absolutely love our village, this is an area that I believe is one of the biggest downfalls of our community and needs to be prioritized given how many families with young children now live here. I completely understand how expensive it would be to put more pathways in, but I'd like to see the village actually get some real estimates on this. I have yet to see an up to date figure around this. I'd also like to see this make it into the village's budget and where we may fall short, to work with various community groups and stakeholders to help figure out how to raise funds to come up with the difference. Highland in particular is an area that I'd like to see prioritized as it's such a major danger to those with children.

I look forward to hearing more about how this issue continues to unfold in our great community! Thanks for listening.

Clarissa Ortiz
