Subject: Paved pathways in Elm Grove

Hi Dave

I know you have probably received several messages about the need for biking/walking paths in Elm Grove. I am in full support of these paths and wanted to express my concern that these need to be done sooner than later. I am particularly concerned about the stretch of Gremoor from Arrowhead Ct down to the school. There is a lot of traffic down this road and it is extremely dangerous and difficult to see walkers/bikers with the angle of the sun in the afternoon. In addition, the intersection there, and curve of the road make visibility even worse. I strongly encourage the village to consider adding more walking/biking paths and hope that Gremoor Dr is at the top of the list.

Thank you
Laurie
(Gremoor Dr resident)
