**Subject:** Support for pathways in the village

Mr. DeAngelis,

I grew up in Elm Grove, and have been a homeowner since 2009. I wanted to express my support for pathways in the budget going forward. One of the only downfalls of the village is the lack of safe walkways throughout most of the village.

I have 2 young children, 4 and 6, and we live on Gremoor Drive, and routinely walk to Tonwanda or the park, and I am always nervous walking on the side of the road. Cars are inattentive and drive too fast, particularly on our street, and many children walk to and from school and the park, and until you get to legion drive, there is not any safe pathway.

I also am a cyclist, and the lack of shoulders or pathways makes it hazardous in that regard as well. I have almost been hit multiple times at the beginning or end of a ride from someone not paying attention, and having no shoulder to ride on. Pathways would help this.

In closing, pathways in the village will add legitimate value to living in Elm Grove, and make it safer for families and children to get out and enjoy the neighborhood. I support adding this to the budget and consider this an excellent use of tax revenue.

Thanks, Please reach out to follow up if needed.
