Subject: Pathways in EG

Hi Mr. DeAngelis,

I just wanted to voice my concern on the pathways in Elm Grove. As I now have a daughter attending Tonawanda for her first year, Gremoor has been very difficult to walk to and from school on the street with the current traffic. We basically have to jump into the grass at times depending on space in the street with cars and buses going by.

I support all the pathways being proposed. I understand you need to work with the village's budget. With the significant increase in our taxes this year, I would like to see some of the money supporting a safer place for all of us to enjoy. If we could even pass one pathway, it would be better than zero. Thank you for your time!

I hope you have a great rest of your day.

Warmest Regards,
Darcie Schrubbe
