Subject: Vote NO on RFP

To the Elm Grove Village Board Trustees

Jim and I are very concerned about the effects of the motion relating to current plans for the Notre Dame property to go before the board at this evening's meeting. We believe the current TID #3 and the associated TIF are well thought out and researched and will provide many benefits for our Village. It was passed by trustees for whom we voted and whose opinions we value.

We respectfully request that you vote NO on the RFP and on the amendment of the same.

Sincerely

Jim and Alice Hirt
