Subject: Trustee meeting Monday September 26th,2022

Good morning Dave,

I would like to attend the trustee meeting tonight and voice my opinion. Unfortunately I am out of town but would like you to forward a copy of my letter to each trustee and have this letter be part of the public record for that meeting.

I am in favor of hiring a third party to review the SSND project financials. So many residents were very upset on the handling and communication of the project and the TIF. We did not elect incumbent trustees because we lost faith in the board. Please consider all the people who voted in the spring election. Listen to us please. I support what the new trustees are trying to accomplish. Please support hiring an independent person to review the project.

Thank you for your consideration.
