CONTRACTOR INFORMATION

I, _____, state that the project has not commenced and that it will be constructed in compliance with all requirements and standards set forth in the Village of Elm Grove Code, and in accordance with the attached drawings which accurately represent all the information required to be furnished. In the event that this project is not completed in accordance with the permit, or the information furnished is not correct, I agree to correct the deficiency, and/or restore the site to its preconstruction condition. Applications that may impact drainage or neighboring residences will require a review by engineering, and any costs associated will be the responsibility of the resident/homeowner.
