

## Village of Elm Grove

### Monthly Newsletter - June 2, 2025

#### Message From Village President Jim Koleski

Sitting here writing this update on May 22, the cold and rainy weather makes it a challenge to feel spring will ever fully arrive. However, we all know that Wisconsin weather, with patience, will change and bring with it a great end to May as summer approaches. I would also like to thank the Elm Grove Junior Guild for organizing a wonderful Memorial Parade and related events. The volunteerism was on full display as we celebrated Memorial Day and paid tribute to everyone who have served our country. Please be extra careful of children as school sessions end and more bikes and walkers are out and about enjoying summer!

**Public Works Committee.** The committee met on May 22 to review bids received for the construction of Pathway's within the Village. The bids came in within budget and work will commence this summer on the 2025 Pathways Project. As a reminder the Project includes the following sections:

- Juneau Boulevard from Legion Street to Watertown Plank Road
- Gre Moor Drive from Hollyhock Lane to Fairhaven Boulevard
- Underwood River Parkway from San Fernando Drive to Hollyhock Lane

Completion of the Highland Pathway railroad crossing is also a top priority as CP Rail has until May 31st to complete their work. Our contractor is standing by to finish up grading and paving as soon as the railroad completes its work.

Staff has been working to prepare for the 2025 paving project along Highland Road as well as other locations upgrading culverts and storm water drainage in preparation for paving. Having our great Public Works team do this scope of work is a cost savings initiative and I appreciate the quality of work performed.

Paving to be completed this summer:

- Highland Drive from Club Drive to Hawthorne
- Fairhaven Boulevard from Watertown Plank Road to Elmhurst Parkway
- Lone Tree Road from Watertown Plank Road to Terrace Court
- Elm Grove Road from Watertown Plank Road to Juneau Boulevard
- Woodlawn Circle from Juneau Boulevard to Hillside Road
- Sunset Drive from Hillside Road to Woodlawn Circle

Updates on paving progress will be posted on the Village website and included in the Elm Grove Newsletter.

**Underwood Creek Daylighting Update.** As I write this update, bids were opened on May 20th. Bid compilation and analysis is underway comparing Stantec's estimate of project costs to the bids submitted. The low bid currently exceeds the engineers estimate which will require further review and Board discussion. The Village has initiated the acquisition process to acquire

2.3 acres of the abandoned CP Rail corridor which will be used for the new stream alignment. Additionally, the Village is finalizing the other necessary easement acquisitions and costs. CP Rail has until June 20th to respond to the Village's offer.

**We Energies Update.** The Board will be receiving an update on the resiliency of the electrical network in June. If you have any specific questions that need answers, please forward to Village staff. In addition, we would appreciate resident support to collaborate with We Energies and find solutions to easements for the second phase of the project, which includes burying electrical lines to improve service and reduce outages.

**Other Community News.**

The Elm Grove Business Association is busy planning their first Art and Wine Walk on Saturday June 7th from 4 to 7 P.M. Please support this inaugural event.

Single Family Home Construction in the Caroline Heights project area continues to expand. There are currently five homes that have received building permits, and three additional homes were reviewed by the Building Board on May 28th.

Vehicle Ordinance update. The Board formally approved an update to its vehicle ordinance to address e-scooters. As part of this update, staff created a community education program which emphasizes the need to yield to pedestrians and appropriate etiquette to announce your intent to pass, including bell or other warnings. Additionally, signage has been updated to conform with the new ordinance and safety procedures to allow all residents to fully enjoy the Villages Pathways and Village Park.

The annual restocking of fish into the Village Pond with several species was completed in May. Special thanks to the Junior Guild for sponsoring this project!

Water lateral work is moving forward quickly with completion in June expected. In meeting with the Cornerstone One crew, appreciation was expressed for all the cooperation and understanding from residents.

With summer right around the corner, my best wishes for a safe and fun filled June.

Jim Koleski – Village President – [jkoleski@elmgrovewi.org](mailto:jkoleski@elmgrovewi.org)

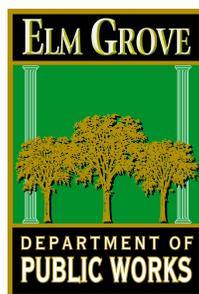

## Monthly Meeting Briefs

### Board of Trustees May 27, 2025

**1) Review and acceptance of Permanent Pedestrian Easement, and Temporary Construction and Access Easement (Underwood River PKWY Pathway)**

The Board voted unanimously to accept the permanent pedestrian easements along Underwood River Parkway (Tonawanda Elementary) and Juneau

### Public Works/Utilities Committee May 12, 2025

**1) Update on Highland Dr Pathway**

Public Works Director Richard Paul Jr. stated that the project was in the permit issuance phase. It has been well noted that the Office of the Commissioner of Railroads (OCR) has ordered CPKC to finish construction

### Plan Commission May 5, 2025

**1) Review and act on a request for a revised Plan of Operation for Wine Down pursuant to §335-85 for a Cocktail Lounge with an outdoor seating area pursuant to §335-22A(13) located in the B-1 Local Business District at 13390 Watertown Plank Road**

The Commission voted 6-1 to

Boulevard (St. Mary's School).

## 2) Review and act on 2025 Pedestrian Pathway Construction Bid

The Board voted unanimously to approve the bid from Buteyn-Peterson in the amount of \$1,229,328.19 for the 2025 Future Pathways Project.

## 3) Review and act on 2025 Road Repaving Bid

The Board voted unanimously to approve the bid from Wolf Paving in the amount of \$487,759.03. Working within the budgeted amount for paving this year, the Village can increase the contract by up to \$117,240.97.

[View the meeting agenda here](#)

by May 31, 2025.

[View the meeting agenda here](#)

## Public Works/Utilities Committee Special Meeting May 22, 2025

### 1) Review and possible action on 2025 Pedestrian Pathway construction bids

The Committee voted unanimously to approve the bid from Buteyn-Peterson, which was formally approved by the Board of Trustees on May 27th.

[View the meeting agenda here](#)

approve a revised plan of operation for Wine Down to expand their operations to include an outdoor seating area. The proposed seating area will be located in the street yard facing Watertown Plank Road and the design is contingent upon Building Board approval.

[View the meeting agenda here](#)

## Village Project Updates

### Caroline Heights Project

Village staff continues to work to minimize the impact and disruption of construction work. Roads are cleaned three times a week by outside parties and any complaints should be forwarded to Village staff for follow-up.

Single-family home development in the Caroline Heights area is in progress. The Building Board is actively reviewing construction plans for these residents. In total, 21 new single-family residences will be constructed. Five (5) single-family homes have made it through Building Board review and have been issued building permits. A number of additional reviews are also upcoming. Keep up-to-date on plans that are reviewed by reviewing Building Board meeting packet materials in the Agenda Center [here](#).

For regular updates, please continue to refer to the Village website for updated information on the project [here](#).

## Updates from Village Hall

### New Village Clerk Sworn In

Interim Clerk Rachel Drescher swore in new Village Clerk Crystal Turner at the May 27th Board of Trustees meeting. Crystal brings a wealth of experience coming from the City of Delafield and we are excited to welcome her to Elm Grove!

Stay tuned for a profile on Crystal in an upcoming edition of

## Former Village Trustee Tom Shepherd Honored

Former Village Trustee and Recreation Committee Chairman Tom Shepherd was honored at the Board of Trustees meeting on May 27th with a framed proclamation. Village President Jim Koleski recited the proclamation during the meeting, thanking Tom for his service and dedication to the Elm Grove community. Thank you, Tom!

## Elm Grove Business Association to Host First Ever Wine Walk on June 7th

Get ready for a sensational summer evening in the heart of Elm Grove! The first annual Elm Grove Wine and Art Walk, presented by the Elm Grove Business Association, will take place on Saturday, June 7th, 2025, from 4:00 PM to 7:00 PM – inviting participants to sip fine wines, explore unique local art, and enjoy the vibrant spirit of our beloved village.

This walkable event transforms the businesses of Elm Grove into a lively gallery and wine tasting experience. With 12 local businesses serving as host locations, guests will enjoy a variety of regional wine pours while admiring the talent of local artists displaying their creations along the way.

### Admission Includes:

- Access to the event
- A commemorative wine glass
- Wine tastings at 12 participating Elm Grove businesses

With a ticket purchase, wristbands and wine glasses can be picked up the day of the event at S.J. Janis, your starting point for a perfect evening.

Whether you're a seasoned wine lover or simply seeking a cultural night out, the Elm Grove Wine and Art Walk offers a relaxed and enriching atmosphere for all 21+. Bring your friends, meet new people, and support local artists and businesses in one unforgettable evening.

Don't miss your chance to experience the art, flavor, and charm of Elm Grove this summer!

**BUY YOUR TICKETS TODAY!** Ticket sales will end June 4th:

<https://www.eventbrite.com/e/elm-grove-wine-and-art-walk-tickets-1295939011469>

Participating Businesses: O'Donoghue's Irish Pub, G. HOME Doering and Co. Real Estate LLC, Elm Grove Travel, Wine Down, S.J. Janis Company Inc., The Ottoman Society, Great Harvest of

## MONTHLY INVASIVE SPECIES INFORMATION

### SPECIES HIGHLIGHT: Dame's Rocket (*Hesperis matronalis*)

#### But it is so pretty?

Yes, that's true for a lot of species that were introduced. There are so many other species that better support our ecosystem: any of the seven native phlox, native bee balm, or native columbine.

#### What is the ecological threat?

Research is suggesting is that it facilitates the invasion of other invasive species like garlic mustard and buckhorn. The idea is that the presence of dame's rocket could prime habitat for the incursion of more aggressive invasive plants by decreasing the presence native species, both in number and diversity.

#### How to eradicate?

Pulling it while in bloom is by far the easiest method of identification and eradication. It may take a few years to deplete the seed bank so don't give up on surveillance each spring! Remember the pheumonic to differentiate: Dame=4 and phlox=5 for the number of petals each flower has. The stems also look different and they flower at different times. All too soon, you'll be an expert at identifying it.

#### What can I do?

Learn how to identify it, assure it is not in any seed mixes you buy, remove any in your landscaping, and be sure to let others know when you see it in theirs! Plant a native alternative that will better help support our birds, butterflies, and bumblebees.

#### The Elm Grove Invasive Species Task Force

Did you know that this group has been meeting Sunday's at 11am for one hour every spring, summer, and fall since August 2020? And in just one hour per week—they're making a HUGE difference in our community. Their work is the embodiment of the "Addition by Subtraction" concept seen in invasive species removal. Consider joining in when you get a chance—no easier way to get involved, meet cool people, and be a part of making our world a better place! Email [EGBeautification@gmail.com](mailto:EGBeautification@gmail.com) for details.

## A Message from the Sustainability Committee

Recycle Day 2025 Was a Great Success!

Despite the colder-than-usual weather on April 26th, the 2025 Recycle Day event at Pilgrim Park Middle School had about 300 cars dropping off bikes, furniture, electronics, textiles, books, household goods, and clothing. Here are the totals from each organization:

1. Goodwill collected 3,188 lbs. of "hardline" and "softline" items.
2. Midwest Computer Recycling collected 2,716 lbs., including 31 TVs, 24 computers, 36 iPads, 4 microwaves, 3 lawnmowers, plus much more.
3. Habitat for Humanity completely filled a 26-foot truck with some Tetris skills needed to get everything to fit.
4. FOEGL estimates 300 books were donated, including many children's books.

5. Wisconsin Bike Fed collected 76 bikes.
6. Milwaukee Textile Recycling collected old rags, towels, really worn-out clothing and other textiles totaling 1,711 lbs.

Thank you to everyone who came to this event and donated their old items - our landfills appreciate it!

Be on the lookout for Recycle Day 2026 in the Grove.

## Elm Grove Police Department

### Summer Safety Message from the Elm Grove Police Department

As summer arrives, the Elm Grove Police Department would like to share a few important reminders to help everyone enjoy a safe, fun, and relaxing season.

#### Stay Cool & Hydrated

With warmer days ahead, it's important to stay hydrated and take care in the heat. Drink plenty of water, wear sunscreen, and don't forget to check on neighbors—especially the elderly—who may need an extra hand during high temperatures.

#### Children and Pets Belong Out of Hot Cars

Please remember: even with the windows cracked, the temperature inside a vehicle can rise dangerously fast. Never leave children or pets unattended in a vehicle—not even for a minute.

#### Curfew Reminder: 11:00 PM

With school out and summer in full swing, we want to remind families that the Village of Elm Grove's curfew for minors is 11:00 PM. We appreciate everyone's cooperation in helping keep our young residents safe and out of harm's way.

#### Community Events in the Park

We're excited to see you this summer at Tunes on Tuesdays, Friday Flicks in the Park, and the Third Space Brewing Company Beer Garden! These events are a great way to enjoy the season, meet your neighbors, and spend time with bike officers the Elm Grove Police Department in a relaxed, family-friendly setting. Be sure to say hello to our bike patrol officers while you're there and don't forget to ask them for their Elm Grove Police Department trading card!

#### Drive Safe & Celebrate Responsibly

Whether you're heading to a summer BBQ or just cruising through the Village, please drive safely. Avoid distractions, obey speed limits, and never drive under the influence. Let's all do our part to keep Elm Grove roads safe.

### Plan Ahead for a Safe 4th of July

The Fourth of July is a time for celebration, but safety comes first. Be mindful of Village ordinances regarding fireworks and noise. Village ordinance prohibits the use of fireworks in the Village and recommends that you attend a public display. If you're hosting or attending a gathering, please plan ahead—don't drink and drive, and always have a sober ride home. From all of us at the Elm Grove Police Department, we wish you a safe, happy, and healthy summer!

## Elm Grove Woman's Club

The Elm Grove Woman's Club is starting a new summer series, Summer in the Grove! Summertime is a perfect time of year to get outside and enjoy the warm weather with your community. These events are designed to bring people together, offering a delightful mix of entertainment and camaraderie.

Mark your calendars! This summer we are hosting three exciting outdoor events at our clubhouse the evenings of June 17th, July 22nd, and August 13th. Each event features a different theme and will be a great way to spend an evening with family and friends. Details for the July and August's Summer in the Grove events coming soon. Visit our website, [www.EGWC.org](http://www.EGWC.org), to stay up to date with all the upcoming events.

Our kickoff summer in the Grove event on June 17th is Music Bingo from 5:30-8:30 p.m. at our clubhouse. Music Bingo is a twist on the classic game of Bingo. It involves listening to songs instead of calling out numbers. Food and beverages will be available for purchase during the event. Tickets starting at \$20 for adults and \$10 for kids 12 and under. Don't miss out on the VIP experience which includes VIP seating along with a food and drink ticket per person! You can find more details about the event and tickets can be purchased on our website.

## Elmbrook School District

### Elmbrook Hosts 10th Annual Engaged in Excellence Awards

On Monday, May 5th, Elmbrook Schools held the 10th Annual Engaged in Excellence Awards Red Carpet Gala at the Sharon Lynne Wilson Center for the Arts, sponsored by the Elmbrook Education Foundation. The event celebrated numerous individual and team finalists, alumni, 2024-25 retirees, and community partner honorees, among others.

The evening was a mix of sincerity, comedy, and appreciation, and included an emotional [tribute to Elmbrook retirees](#), [a parody of The Office with Principal Schroeder](#), and a [high-energy music video](#) to commemorate 10 years, and more - all available on the District's YouTube Channel!

Congratulations to the winners of the 2025 Engaged in Excellence Awards!

- Excellence in Teaching - Elementary: Heidi Hudson-Mairet (Special Education, Tonawanda)
- Excellence in Teaching - Middle School: Hillary Szukalski (English Language Arts, PPMS)
- Excellence in Teaching - High School: Heather Minton (Math, BCHS)

[Elmbrook Historical Society](#)

## Elmbrook Humane Society

Elmbrook Humane Society is once again excited to offer a variety of summer camp options this year, taught by our Certified Humane Educator in collaboration with other shelter staff.

These camps are catered to fit a variety of interests in the animal welfare field for our animal compassionate youth.

Join us for Young Veterinarian 2-day camps for kiddos ages 7 to 12 and a 3-day Veterinarian Camp for youth ages 10 to 14. During these fun and interactive camps, students will learn a plethora of skills and processes from intake exams, to treating illnesses, completing daily medical rounds at our shelter, the importance of enrichment for domestic species, the importance of a force free environment and more! They will learn from experts in the shelter medicine field including our shelter veterinarians and medical team.

Our Incredible World of Dogs camp is back by demand this summer for another round of educational fun! This special one-day, canine-themed camp, youth will explore the origins of how dogs became pets and through a variety of hands-on activities, take a fascinating look at the world through their eyes! Students will learn the ancestry and biology of dogs, the many incredible breeds of dogs, understanding canine behavior and body language, how shelters care for dogs in our community and of course interaction with some of our awesome therapy dogs! This class is for kiddos ages 7-12 years old.

You can learn more about our summer and year-round camps and classes by visiting the 'Youth Programs' tab on our website; [www.ebhs.org](http://www.ebhs.org). Registration and frequently asked questions can also be found here along with all upcoming Humane Education camps and programs. We hope to see your animal-loving kids this summer!

To learn more visit: [Elmbrook Humane Society](http://www.elmbrookhumane.org)
